Dear Parent

Your child's school has recommended that your child be assessed by Éirim: the National Assessment Agency. This assessment is in order to look at your child's learning needs and to make recommendations to assist in future learning.

If you agree to the assessment we will contact you (usually by telephone) in advance to get some information and you are welcome to attend the school on the day of the assessment to talk to the psychologist. Both you and the school will receive a written report within three weeks of the assessment.

Before we can proceed, we will need your consent so you should complete the form below and return it to the principal of your child's school. The principal will then contact us to arrange an appointment. This will usually be organized within one month of our receiving the referral.

If you would like further information, you can contact the school directly or you can get further details of our service at our website www.eirim.net

Parental Consent

I consent to a psycho-educational assessment of my child _____ by a psychologist from Éirim and for Éirim to gather relevant information from the child's school. I understand that I will receive a copy of the report on the assessment.
